Always state reason for payment

Indicate the reason for the payment in the description in English. For example: rent, salary, medical expenses, office expenses. If you do not provide a reason for payment, this will lead to delay or refusal of the payment order.

Pay in another currency

Are you making a payment in Sri Lankan Rupee or another foreign currency and only have a Euro account? Then ABN AMRO will buy the amount in that currency for you. It will then always take two working days before ABN AMRO can transfer this amount for you. This means that your payment will take two more working days. You make a payment in a foreign currency by selecting the desired currency in the transfer screen.

Are you making the payment in Euros and the recipient doesn't have a Euro account? Then the amount is converted abroad to the currency of the recipient's account. This can be disadvantageous because exchange rates abroad are usually less favourable than the exchange rate used by ABN AMRO.

National holidays

Sri Lanka has its own national holidays on which the banks are closed. Please note that around those days it will take longer for your payment to be processed.

Is the credit date important?

Is it important that the amount is credited to the beneficiary on a specific date? Ask the ABN AMRO Payment Service Desk for the latest delivery times. You can reach us on working days from 08:00 a.m. to 5:30 p.m. via 020 - 629 80 77 (usual call charges).
