---------------------	----------	--

- (1) A Foreign Currency Account and a G-account (blocked account) are not included in the Business account within a Volop Ondernemen Package. You pay the individual rate per month for these products.
- (2) Basics for Business is no longer actively sold.
- (3) The Basics for Associations & Foundations package provides you with a yearly discount of € 250 on your electronic transactions (excl. the acceptance of debit card payments).
- (4) Companies in the BES islands (Bonaire, Sint Eustatius and Saba) are subject to the maintenance fee non-Dutch residents EEA.
- (5) This fee applies to specific high-risk sectors.
- (6) Only applicable for entities with a business address in The Netherlands. Fee is not applicable if already the fee is paid for non-Dutch residents, both EEA and non-EEA.
- (7) SEPA stands for Single Euro Payments Area. The Single Euro Payments Area consists of the countries of the European Union together with the United Kingdom, Norway, Iceland, Liechtenstein, Monaco, San Marino and Switzerland.
- (8) Plus € 0.01 per transaction when uncompressed.
- (9) Request for cancellation of a batch or an individual transaction (after it has been sent to clearing). As a creditor of SEPA Direct Debit, you can submit a request for cancellation of a batch or an individual transaction once the batch has been sent to clearing. This request will be processed on a 'best effort' basis. Charges will be levied for each item in the batch.
- (10) Refusal SEPA direct debit (initiated by the debtor). Your customer can refuse your direct debit in advance, i.e. before the specified execution date. With SEPA Business to Business Direct Debit this is possible up to, and including, the specified execution date. The total amount of the direct debit batch you have provided is credited to your account. Individual items that have been refused are debited to your account as a 'refusal SEPA direct debit'.
- (11) Reject SEPA direct debit (initiated by the bank). The debtor's bank can reject your direct debit before it is debited to your client. Individual items that have not been collected will be debited to your account.
- (12) Refund SEPA direct debit (initiated by the debtor). The debtor can refund your SEPA Core Direct Debit transaction within a period of eight weeks after the execution date.
- (13) Return SEPA direct debit (initiated by the bank). The debtor's bank may, for various reasons, return your direct debit transaction after the direct debit has been executed. In the case of SEPA Core Direct Debit, this is possible for a period of up to five working days. The corresponding period for SEPA Business to Business Direct Debit is three working days. This results in a debit entry to your account.
- (14) In case of cross-border collections, some foreign banks charge a fee for rejected, returned or refunded SEPA Direct Debit transactions. We debit these extra costs directly from your account and they are on top of your regular fee.
- (15) Reversal of a batch or an individual transaction (after it has been processed). As the creditor of a direct debit batch or an individual transaction, you can request a reversal once the batch has been collected. This request will be processed on a 'best effort' basis. Charges will be levied for each item in the batch. A reversal must take place within five working days after the execution date.
- (16) This tariff will be charged to you as a creditor if an accusation of unauthorised direct debit, submitted by one of your clients, is granted. An accusation of unauthorised direct debit will be granted when, following a request from the bank, you are unable to submit a valid mandate within the prescribed period.
- (17) A direct debit contract may contain multiple direct debit types and multiple creditor accounts. However, the fee is always charged per contract.
- (18) You can use the option Direct Debit e-Mandates. For this we charge a monthly subscription fee. The implementation costs of Direct Debit e-Mandates on your website are not included in this fee.
- (19) This will be charged each time your client signs or amends a Direct Debit e-Mandate SEPA Core on your website.
- (20) This will be charged each time your client signs, amends or cancels a Direct Debit e-Mandate SEPA B2B on your website.
- (21) Refusal SEPA direct debit (initiated by the debtor). You can refuse an announced direct debit in advance, i.e. before the specified execution date. In that case, no debit entry will be made to your account. With SEPA Business to Business Direct Debit a refusal is possible up to, and including, the specified execution date. In that case, the debit entry might have already been made to your account and will be corrected.
- (22) SEPA direct debit mandate. You have given a mandate to one of your business associates to collect direct debit payments from your account. You are the debtor, so when they make use of this mandate, a debit entry is made to your account.
- (23) You have signed, amended or cancelled a Direct Debit e-Mandate SEPA B2B.
- (24) Refund SEPA direct debit (initiated by the debtor). You can refund a SEPA Core Direct Debit debited to your account within a period of eight weeks after the execution date.
- (25) Refund SEPA direct debit (initiated by the bank). The bank may, for various reasons, return a direct debit from your account after it has been executed. In the case of SEPA Core Direct Debit, this is possible for a period of up to five working days. The corresponding period for SEPA Business to Business Direct Debit is three working days. This results in a credit entry to your account.
- (26) Maestro, Debit Mastercard, V PAY en Visa Debit transactions are exempt from VAT. The fee for Debit Card transactions is partly dependent on the Average Transaction Value (ATV) and the country in which the Debit Card was issued. In case of a high ATV or non-Dutch issued Debit Cards, bespoke fees may be charged. We will inform you upfront.
- (27) Transaction bundle offers are no longer sold to clients. You can still amend your existing contract. Transactions above the chosen bundle offer cost € 0.065 per transaction.
- (28) The subscription fee for Retourpinnen is only applicable for terminals on which the Retourpinnen functionality is activated. The transactions and the subscription fee for refunds are exempt from VAT.
- (29) PIN-in-One is no longer actively sold. You can still amend your existing contract. Transactions above the chosen bundle offer cost € 0.065 per transaction.
- (30) The content of a sealbag has to comply with certain conditions for us to be able to handle it correctly. These conditions are mentioned on the sealbag. If the sealbag does not comply with the quality conditions, the processing costs are higher and a non-quality fee will apply.
- (31) Cash2Account is no longer sold. Current customers can still use the product.
- (32) This tariff does not include costs from Worldline or other banks. Handling charges of ABN AMRO are included.
- (33) Surcharge on top of the standard pricing for an electronic international transfer.
- (34) Fee for completing and/or correcting an incomplete and/or incorrect transfer.
- (35) Compensation for the fee that the receiving bank charges for executing an outgoing foreign payment without IBAN.
- (36) For the option 'OUR' (all costs for ordering customer) the costs of the correspondent bank will be charged on top of the fees that ABN AMRO charges.
- (37) SEPA Direct Debit and SEPA Credit Transfer batches are standard booked as one aggregated amount. You can view the batch details by using the CAMT.053 reporting format. If you would like to activate the batch details in CAMT.053, please contact your contact person within ABN AMRO.
- (38) Some transaction types can be aggregated upon your request. They will then be entered to your account as a daily sum of the transactions. You can view the details of the individual transactions within this sum if you use CAMT reporting. This applies to incoming iDEAL payments, as well as to SEPA direct debits that have been refused, reversed and rejected.
- (39) Enclosure list en monthly report are no longer actively sold.
- (40) All individual transactions will be reported back.
- (41) The lower fee applies to web-based submissions, otherwise we will charge an additional fee of € 100.00. If web-based submissions are not available to you we will offer you our standard ABN AMRO submission form. In that case the additional fee will not apply.
- (42) The lower fee applies to web-based submissions, otherwise we will charge an additional fee of € 50.00. If web-based submissions are not available to you we will offer you our standard ABN AMRO submission form. In that case the additional fee will not apply.
- (43) Calculated per calendar month. A part of a month will be calculated as a whole month.
- (44) Examples: Request to receive copy of messages, status-update forwarding documents, forwarding documents to 3rd party (excl. courier cost).
- (45) Plus the cost of the foreign bank in case the guarantee must be issued through a local bank abroad.
- (46) Guarantee commission is charged for the duration of the guarantee, per month on the outstanding balance of the guarantee (part of the month will be charged as a whole month).

All fees are exempt from VAT unless stated otherwise. Modifications reserved, fees per 1 January 2024.
